Inspectress of Schools, Presidency and Burdwan Divisions.

CALCUTTA, the 17th January 1920.

**The Government Diploma in Accountancy of the Sydenham
College of Commerce and Economics, Bombay.**

INSTRUCTIONS TO CANDIDATES FOR THE DIPLOMA.

*(The Regulations referred to are the Regulations for the award of the
Diploma published on pages 1170-72 of Part IC of the Calcutta
Gazette of the 10th December 1919.)*

Regulation 4.—

(A) *Examinations equivalent to Matriculation.*—Examinations recognized by an Indian University as equivalent to the Matriculation or Entrance examination of that University will be recognized as such by the Accountancy Diploma Board under this regulation. If the candidate has studied for one or more terms in a College affiliated to an Indian University, a certificate to that effect signed by the Principal of that College will be accepted as proof of the candidate's eligibility for the Diploma course. The previous orders of the Board must be secured by the candidate in other cases.

(B) *Attendance certificate.*—The attendance ought to be in an institution specially recognized by the Accountancy Diploma Board for purposes of this Diploma. The candidate is required to have attended three-fourths of the number of days on which lectures were delivered in each of the two academic years. Should his attendance in either of the two years have fallen short of three-fourths, that particular year will not be counted as a portion of the two years' attendance prescribed by this regulation. If he has attended the prescribed number of lectures in each of two academic years, but has not been certified as fit to present himself for the examination, he will not be required to attend lectures for a third year, but will merely be required to satisfy the Principal about his fitness to appear for the examination, and to submit his application through the Principal. He may undergo practical training in accounts during such third year, and such training will be counted as a portion of the three years' training prescribed by Regulation 12 (b).

(C) The fee of Rs. 50 must reach the Secretary to the Accountancy Diploma Board, 65, Apollo Street, Fort Bombay on or before 31st January. *Fees paid in will on no account be refunded.*

Regulation No. 5.—

Under this regulation, an under-graduate may, in lieu of attending lectures for two years as prescribed by Regulation No. 4, receive practical training in accounts for two years. He must apply to the Board for the recognition of such practical training and secure the orders of the Board before applying for the examination; the number and date of such order must be quoted in the candidate's application for the examination.

Regulations 6 and 13.—

When the holder of a *temporary* auditor's certificate applies for the examination under regulation 6 or for the Diploma under Regulation 13,

the period for which the auditor's certificate was granted must not have expired. An application from such a candidate submitted after the expiry of the period for which the certificate was granted will not be accepted by the Board.

Regulation 12.—

Practical training.—Every candidate entering on the course of practical training prescribed by this regulation must submit to the Accountancy Diploma Board an application for the recognition of such practical training in the prescribed form, copies of which can be had at the office of the Board, Apollo Street, Bombay; such applications must be submitted within sixty days of the commencement of the practical training.

The practical training must be under a Chartered or an Incorporated Accountant or a certified auditor working as a Public Accountant. It is immaterial whether the candidate has paid a premium for such training or is in receipt of a salary. It is essential that he should be a full-time apprentice and should not be engaged in any other work during the usual office hours.

Chartered and Incorporated Accountants may take and train apprentices without the previous permission of the Government. The holder of a *permanent* (whether restricted or unrestricted) auditor's certificate granted by a Local Government may take and train apprentices, provided he is specially empowered in that behalf by the Local Government of the province where he is practising. The mere fact that he holds a permanent auditor's certificate will not empower him to take apprentices.

The apprenticeship may be served partly under one and partly under another practising accountant, provided it is in each case reported to and recognized by the Accountancy Diploma Board.

Regulation 12 (b).—

The practical training in accounts prescribed by this regulation may be (1) partly before and partly after, or (2) wholly before or (3) wholly after, the candidate passes the Diploma examination of this Board. The course prescribed for an under-graduate covers five years, viz., two years as a student of a recognized institution, *plus* three years' apprenticeship. The practical training in accounts, if any, received by an under-graduate during his two years' attendance at a recognized institution, will, therefore, not be reckoned as a portion of the three years' apprenticeship prescribed by this regulation.

Regulation 12 (c).—

At least two out of the three years' apprenticeship prescribed for graduates must be served after they become graduates.

Number of apprentices.—No practising accountant will hereafter be authorised to take and train more than *two apprentices at a time*. This restriction will not apply to candidates who have already commenced their practical training.

Auditor's certificate.—No permanent unrestricted auditor's certificate will hereafter be granted by any Local Government or Administration to a person who does not hold the Government Diploma in Accountancy of the Sydenham College of Commerce and Economics, Bombay. Holders of the Diploma have to apply for a permanent unrestricted auditor's certificate to the Local Government of the province where the candidate received his practical training for the Diploma.

By order of the Accountancy Diploma Board,

K. S. AIYAR, B.A., F.S.A.A.,

Secretary.
